Hi Pamela, I just wanted to send you a note to thank you for all you did. The sale went so smooth and extremely quick, I couldn't be happier! Thanks for getting in there and helping with the cleaning, yard-work, and watering. I also appreciate your timely responses to all my emails and for always following up on our conversations. Thank you for also being so considerate and compassionate to our family during this process. Please feel free to pass out my email for any referrals.

Sincerely,
Victor Velazquez
